RPs: Remember to Track Your Continuing Education

Now is the time to start earning and recording your continuing education unit (CEU) credits to maintain your credential. RPs must earn 20 CEUs within their six-year reporting period by attending educational workshops on parliamentary procedure at unit, association, and district events; training conferences; and biennial conventions. For more information and a reporting form, please see the documents section on the website.

Congratulations to Our Members!

Please join us in welcoming the 98 new members who joined in April. This brings our total new members in 2016 to 223.

Also, congratulations to the seven new RPs and one PRP who last month took the next step in their parliamentary career and became credentialed.Sf

Resources

Parliamentary Procedure in Local Government

Parliamentary procedure is practiced by many types of organizations. However, local governments have specific, unique characteristics not shared by other organizations. *Parliamentary Procedure in Local Government* is a comprehensive guide for members of public bodies and the parliamentarians who serve them. Topics range from forms of local government and governing statutes to running meetings. If you are involved as a government official, this is a must-have resource for you!
