Re: Report of the Executive Director

The following charts show the weekly and monthly breakdown of the renewal responses as of January 12. Please note there was an error in the January 8 reporting of the number of students who had renewed. The monthly breakdown is further broken down by member type and includes a 2015 comparative chart.

2016 DUES RENEWALS
Dues renewals have been very strong given the fact that we went out a month later than last year. Although our numbers are lower than last year, the percentage of members who have renewed is very close to last year, when the first announcement went out the first week in November. As of January 9, 55% of our members had renewed compared to 57% as of January 12 last year; it is highly possible that by January 12 this year we will be at 57% as well. I will provide an update during the Board meeting.

The following charts show the weekly and monthly breakdown of the renewal responses. The monthly breakdown is further broken down by member type and includes a 2015 comparative chart.

OTHER HEADQUARTERS NEWS
I have been interviewing candidates for the part-time bookkeeping/financial administration position we have open. Sarah Nieft had filled this need for us following her retirement as executive director until December 22. I expect to have someone on board within a couple of weeks.

Our offices are in a bit of disorder because we’re still recovering from the roof and plumbing issues we experienced in November. Everything should be back to normal in another couple of weeks. The insurance settlement is allowing us to give the main offices a much needed face lift – in this case, new paint. Painting the old paneling has made a huge difference in making the space brighter and bigger looking. If you’re in the area be sure to stop by and visit.

NATIONAL ASSOCIATION OF PARLIAMENTARIANS
Report of the NAPOPP Manual Committee to the NAP Board of Directors
January 12, 2016

Motion referred to the Committee at the 12/8/2015 Board Meeting: Without objection, the following motion was adopted to:

refer the recommendations from the 2015 NAP Biennial Convention Committee to the board’s Policy and Procedures Committee

The Committee, without objection, approved the following motion to be introduced at the January 12, 2016 Board Meeting that, the NAP Board of Directors refer the recommendations from the 2015 Convention Committee to the 2017 Convention Committee.

A conference call meeting will be called by the chair prior to the next NAP Board meeting, in order to discuss the NAPOPP Manual in general, and specifically, the possibility of identifying and/or separating policy from procedure for ease of reference and use.

Teresa Stone
Chair, NAPOPP Manual Committee
As noted at the last board meeting, the special Bookstore Review Committee was impaired in its work by the illness of Kevin Connelly. The good news is that the board in December approved as committee members Carol Schilansky, RP, of New York, and Nylanne Scheidegger, PRP, of Nebraska. These members join Mary Randolph, ex officio, Paul McClintock, technical advisor, Courtney Emory, business office, Joyce Watkins Brown, and Alison Wallis in serving on this committee.

Joyce, Carol, Nylanne, and Alison are reviewing and editing the descriptions of written materials sold on the public area of the NAP site. The plan of work has been updated to reflect the new members and to track completed tasks. The charge to the committee has been shared. The committee members continue to note suggestions for improvement anywhere within the website's bookstore. An Adobe Connect meeting will be scheduled in the near future.

Due to the holiday season, travel, and family obligations of all working members of the committee, the month of December has not been a time of heavy work. The new year, however, will bring a rebirth of energy for the task.

Alison Wallis, Chairman,
Bookstore Review Committee
Report of Special Committee on PRP Referral System (Find a Parliamentarian)

Members of the special committee have continued to review the Find a Parliamentarian part of the NAP website, have exchanged information by e-mail, and then met by conference call on January 4, 2016. The committee is continuing to gather information about the website referral system and is studying how the service can be made more useful and more equitable for all participants. The committee is compiling recommendations for the new website that is to be created.
