### Planning a NAP Membership Class?

If you're planning to teach and/or monitor a membership class, please call Cheryl DeShon, NAP's Member Services Coordinator, for guidance on what to do. In the meantime, here are some basics to help you get started:

- Everyone who takes the membership exam must submit an application and payment prior to taking the exam.
- The application and payment should be received at headquarters at least 2 weeks before the test date.
- There's no charge to take the exam, but national and state dues are payable at the time the application is submitted.
- Cheryl will be the main contact. She will happily work with you so your class goes smoothly! Contact her at 816-833-3892 ex. 200.

### Tax Filing for Associations and Units

Yes, it's that time of year again. Form **990-N** must be submitted electronically to retain your 501(c)3 status. The form is due April 15, 2020.

Use this [User Guide](#) for filing instructions. You can find more information on the [documents page](#) of our website.

#### Reminders

- If you don't successfully file three years in a row, you will lose your 501(c)(3) standing.
- Check your status. Just because your file uploads does NOT mean that it has been accepted. You will need to check back to confirm it was accepted and is not pending or rejected.
