Professional Liability Insurance

The saying, "Fifty dollars and directions to the courthouse will get you a lawsuit," is unfortunately more true than we would like to think. Our society has become very litigious, and you should not have to face this environment alone and risk your entire life savings. That's why professional liability insurance is a must for all Professional Registered Parliamentarians and Registered Parliamentarians. Whether presiding over a meeting or teaching parliamentary law, liability insurance gives you that peace of mind, knowing that you'll have someone to represent you and provide for your financial needs should it be necessary.
