# LET'S TAKE FLIGHT

Welcome to the 2025 Pennsylvania Association of Parliamentarians Training Conference! We are thrilled to have you come take flight with us as we navigate the pathway to parliamentary excellence. This will be a day dedicated to advancing our parliamentary skills and knowledge.

As you embark on this journey, you will find that each session is designed to elevate your understanding and mastery of parliamentary principles. Whether you are a seasoned professional or new to the world of parliamentary procedure, there will be something for everyone! Our presenters will guide you through various topics, providing you with practical tools and insights that you can immediately apply in your meetings and organizational processes.

The theme for our conference, "Take Flight," reflects our commitment to helping you reach new heights. Just as a well-coordinated flight requires precision, communication, and knowledge, so too does effective parliamentary procedure. Throughout the day, you will have the opportunity to engage in interactive workshops and discussions while networking with fellow parliamentarians who share your passion for order and efficiency in meetings.

Don't miss out on this incredible opportunity - register today! Secure your spot and take the first step towards elevating your parliamentary skills. Join us on Saturday, April 26 for a day of learning, networking, and growth as we embark upon a journey to parliamentary excellence!

Let's take flight!
